GROWN BY
GEORGE H. WALKER
NORTH DIGHTON, MASS.

GREETING

I want to extend to all my customers and friends, my good wishes for a happy and prosperous new year. My thanks go out with this price list of dahlias and gladioli, to all who helped to make 1926 one of the best years in my experience with dahlias.

To all, I wish to pledge anew, my friendly services, willing advice, quick and careful handling of orders, and exceedingly low prices.

My terms are cash with the order and in event of my inability to fill your order, no liability is attached to me other than to replace the bulbs or refund the money at purchase price.

I have exercised the greatest care in the growing and housing of my bulbs this season, but should any error occur in the rush of filling orders, I shall endeavor to satisfy my customers.

I can not guarantee cultivation under the hands of another and be responsible for their errors; as to weather conditions, improper planting, locations, soils, etc., it would be unreasonable to ask me to take the responsibility.

All orders will be forwarded well packed and in growing condition, and should reach you in perfect condition, beyond this my liability ceases.

All orders sent prepaid at catalog prices to all points in U. S. A.

My advice is to order early, making your list plain and especially your name and address. If I please you with my service, please tell your friends.

My dahlias beautify one's home.

Sincerely yours,

GEORGE H. WALKER.
